

Standard Ink Colors

FOR 1 & 2 COLOR JOBS

The below colors are the only print colors available for 1 and 2 color yard signs. You may input the color mix below to view your design accurately. Any 1 or 2 color jobs submitted without using these color mixes will be converted to the nearest color choice. Color conversion may require extra time to process your artwork and send you a corrected proof.

PLEASE NOTE: Colors and breakdowns are approximate only. Please remember that colors reproduced by your monitor will not look the same as printed.
